REOPENING AND REVISING  
DETERMINATIONS AND DECISIONS

**§ 404.987 Reopening and revising determinations and decisions.**

(a) *General.* Generally, if you are dissatisfied with a determination or decision made in the administrative review process, but do not request further review within the stated time period, you lose your right to further review and that determination or decision becomes final. However, a determination or a decision made in your case which is otherwise final and binding may be reopened and revised by us.

(b) *Procedure for reopening and revision.* We may reopen a final determination or decision on our own initiative, or you may ask that a final determination or a decision to which you were a party be reopened. In either instance, if we reopen the determination or decision, we may revise that determination or decision. The conditions under which we may reopen a previous determination or decision, either on our own initiative or at your request, are explained in § 404.988.

[59 FR 8535, Feb. 23, 1994]

**§ 404.988 Conditions for reopening.**

A determination, revised determination, decision, or revised decision may be reopened—

(a) Within 12 months of the date of the notice of the initial determination, for any reason;

(b) Within four years of the date of the notice of the initial determination if we find good cause, as defined in § 404.989, to reopen the case; or

(c) At any time if—

(1) It was obtained by fraud or similar fault (see § 416.1488(c) of this chapter for factors which we take into account in determining fraud or similar fault);

(2) Another person files a claim on the same earnings record and allow-

ance of the claim adversely affects your claim;

(3) A person previously determined to be dead, and on whose earnings record your entitlement is based, is later found to be alive;

(4) Your claim was denied because you did not prove that a person died, and the death is later established—

(i) By a presumption of death under § 404.721(b); or

(ii) By location or identification of his or her body;

(5) The Railroad Retirement Board has awarded duplicate benefits on the same earnings record;

(6) It either—

(i) Denies the person on whose earnings record your claim is based gratuitous wage credits for military or naval service because another Federal agency (other than the Veterans Administration) has erroneously certified that it has awarded benefits based on the service; or

(ii) Credits the earnings record of the person on which your claim is based with gratuitous wage credits and another Federal agency (other than the Veterans Administration) certifies that it has awarded a benefit based on the period of service for which the wage credits were granted;

(7) It finds that the claimant did not have insured status, but earnings were later credited to his or her earnings record to correct errors apparent on the face of the earnings record (section 205(c)(5)(C) of the Act), to enter items transferred by the Railroad Retirement Board, which were credited under the Railroad Retirement Act when they should have been credited to the claimant's Social Security earnings record (section 205(c)(5)(D) of the Act), or to correct errors made in the allocation of wages or self-employment income to individuals or periods (section 205(c)(5)(G) of the Act), which would have given him or her insured status at the time of the determination or decision if the earnings had been credited to his or her earnings record at that time, and the evidence of these earnings was in our possession or the possession of the Railroad Retirement Board at the time of the determination or decision;

(8) It is wholly or partially unfavorable to a party, but only to correct clerical error or an error that appears on the face of the evidence that was considered when the determination or decision was made;

(9) It finds that you are entitled to monthly benefits or to a lump sum death payment based on the earnings of a deceased person, and it is later established that:

(i) You were convicted of a felony or an act in the nature of a felony for intentionally causing that person's death; or

(ii) If you were subject to the juvenile justice system, you were found by a court of competent jurisdiction to have intentionally caused that person's death by committing an act which, if committed by an adult, would have been considered a felony or an act in the nature of a felony;

(10) It either—

(i) Denies the person on whose earnings record your claim is based deemed wages for internment during World War II because of an erroneous finding that a benefit based upon the internment has been determined by an agency of the United States to be payable under another Federal law or under a system established by that agency; or

(ii) Awards the person on whose earnings record your claim is based deemed wages for internment during World War II and a benefit based upon the internment is determined by an agency of the United States to be payable under another Federal law or under a system established by that agency; or

(11) It is incorrect because—

(i) You were convicted of a crime that affected your right to receive benefits or your entitlement to a period of disability; or

(ii) Your conviction of a crime that affected your right to receive benefits or your entitlement to a period of disability is overturned.

#### **§ 404.989 Good cause for reopening.**

(a) We will find that there is good cause to reopen a determination or decision if—

(1) New and material evidence is furnished;

(2) A clerical error in the computation or recomputation of benefits was made; or

(3) The evidence that was considered in making the determination or decision clearly shows on its face that an error was made.

(b) We will not find good cause to reopen your case if the only reason for reopening is a change of legal interpretation or administrative ruling upon which the determination or decision was made.

#### **§ 404.990 Finality of determinations and decisions on revision of an earnings record.**

A determination or a decision on a revision of an earnings record may be reopened only within the time period and under the conditions provided in section 205(c) (4) or (5) of the Act, or within 60 days after the date you receive notice of the determination or decision, whichever is later.

#### **§ 404.991 Finality of determinations and decisions to suspend benefit payments for entire taxable year because of earnings.**

A determination or decision to suspend benefit payments for an entire taxable year because of earnings may be reopened only within the time period and under the conditions provided in section 203(h)(1)(B) of the Act.

#### **§ 404.991a Late completion of timely investigation.**

We may revise a determination or decision after the applicable time period in § 404.988(a) or § 404.988(b) expires if we begin an investigation into whether to revise the determination or decision before the applicable time period expires. We may begin the investigation either based on a request by you or by an action on our part. The investigation is a process of gathering facts after a determination or decision has been reopened to determine if a revision of the determination or decision is applicable.

(a) If we have diligently pursued the investigation to its conclusion, we may revise the determination or decision. The revision may be favorable or unfavorable to you. "Diligently pursued"
